GOT MATH SKILLS?
Have you thought about putting your love for math and problem-solving to work? Don’t miss 2020’s Actuarial Boot Camp, an intensive and interactive one-week program for high school students and college freshmen that will show you the ropes of the profession and prep you for an actuarial exam!

SEEKING: Self-motivated students with a passion for math and solving complex math problems. See application for eligibility requirements.

PROGRAM DATES: July 13-17, 2020 (8:30 a.m. to 4:00 p.m. daily) | July 20-24, 2020 (8:30 a.m. to 4:00 p.m. daily)
Students will be assigned to one of the two camps; limited to 20 students each!

HOST & LOCATION: Vantis Life Insurance Company, 200 Day Hill Road, Windsor

TUITION: $250 for Connecticut residents | $500 for Out-of-State residents
Tuition assistance may be available.

HOW TO APPLY: www.connecticutIFS.com | Application must be e-mailed no later than May 29, 2020.

ACTUARIES are business professionals who use mathematics, statistics and financial and investment theory to study uncertain future events, analyze their financial consequences and develop programs to reduce the impact of associated risks, especially those of concern to insurance companies.

PROGRAM FEATURES
• Sessions focused on writing skills, negotiation strategies and professional ethics
• Networking opportunities: meet actuaries working in insurance (life, property-casualty and health), finance, government, risk assessment and consulting!
• Guest speakers from companies like Aetna, The Hartford, MassMutual, Nassau Re, Prudential, Travelers, UnitedHealthcare and Voya Financial
• Guidance on internships, employment and career advancement

PROGRAM INCLUDES
• Study notes and an exam-approved calculator
• Lunch and snacks each day of the program
• Opportunity for a Job Shadow Day
• Option to take an actuarial exam free of charge
ELIGIBILITY REQUIREMENTS
At time of application, applicant must:

Be one of a high school senior in Fall 2020; a high school graduate/college-bound student as of June 2020; a current college freshman.

Be a U.S. Citizen or Permanent Resident.

Reside full-time in Connecticut, Maine, Massachusetts, New Hampshire, New York, Rhode Island or Vermont. Preference is given to Connecticut residents.

Be currently taking or have already taken Calculus AB or BC, or Honors Calculus, including Integration. Pre-calculus will not be considered.

Completed application is due by e-mail on May 29, 2020. All sections are required.

Instructor’s Signature: ________________________________ Date: ______________

Personal Statement of Interest & Commitment
I am interested in learning more about the actuarial profession and, if selected for CT IFS’ Actuarial Boot Camp, I commit to attending all of the daily sessions for the camp to which I am assigned during the weeks of either July 13-17, 2020 or July 20-24, 2020. I understand that tuition is due upon acceptance and must be paid before the start of camp.

Student’s Signature ________________________________ Date ______________

Application Submission - Deadline May 29, 2020
E-mail your application materials to CT IFS at programs@connecticutIFS.com.

Participants are selected by a blind, weighted analysis of the information they provide as part of this application. Decisions will be communicated the week beginning June 1, 2020.
